From: Carol Arps, Training/Quality Assurance/ PREA Coordinator

Date: April 29, 2020

Re; Annual Review of Sexual Abuse/Harassment Incidents – Bill Logue Juvenile Justice Center and Contract Residential Treatment Programs, and agency contractor vendors.

In order to comply with the Federal PREA standards 115.388(a), (b), c), and (d) and to assure that this department continues to have a zero tolerance of sexual abuse and harassment, an annual review of sexual abuse/harassment incidents that occur in the Pre-Adjudication and Post-Adjudication programs, along with the treatment programs residential and outpatient contracts the department utilizes, was conducted on April 29 2020. The following administrative staff were present;

Jim Vines – Assistant Director

Curtis Hafford – Facility Administrator

Joshua Such – Assistant Facility Administrator

Carols Arps – PREA Coordinator/Training and Compliance Officer

The department reported ZERO INCIDENTS of substantiated sexual abuse/harassment in the facility for calendar year 2019.

Mr. Kacy Phillips conducts compliance inspections of all the departments' placement contractors twice a year, (we have ZERO to list any sexual investigations at our placements).

This annual review is to discuss any allegation of sexual abuse in the facility and in any of our contract placements. Also, to ensure that all contract placements practice zero tolerance for sexual abuse/harassment and are in compliance with PREA Standard 115.388. With your approval of this letter, it will be posted on the McLennan County Juvenile Probation Services website.

Respectfully submitted,

Carol Arps
Compliance and Training/PREA Coordinator

I have reviewed and approve this letter to be placed on the McLennan County Juvenile Services Website.

Collin Coker
Director
