RE: BURN BAN ORDER

Effective immediately, the McLennan County Judge, as authorized by the McLennan County Commissioners Court, has lifted the "Order Prohibiting Outdoor Burning" in McLennan County at the recommendation of the Texas Forest Service and due to the substantial rainfall received throughout McLennan County. Although the "Order Prohibiting Outdoor Burning" has been lifted, citizens are urged to use extreme caution when engaging in any outdoor burning activities.

Thank You,

Scott M. Felton
